Program and Research Support Cores [1]

The Program and Research Support Cores communicate with all projects, thus fostering regular communication and interaction among all components (projects and cores) of the ISRP.

Program Support Cores

- Administrative Core [2]
  Keri Hornbuckle, Hans-Joachim Lehmler, Suzanne Doershuk, David Purdy, External Advisory Committee
- Data Management and Analysis Core [3]
  Kai Wang, Scott Spak, Michael Jones, Brian Westra, Qianjin Zhang
- Community Engagement Core [4]
  Brandi Janssen, Scott Spak, Jessica Andino
- Research Experience and Training Coordination Core [5]
  Gabriele Ludewig, James Ankrum, Jonathan Doorn, Greg LeFevre

Research Support Cores

- Core A - Synthesis Core [6]
  Hans-Joachim Lehmler, Xueshi Li
- Core B - Analytical Core: Extraction, Detection, and Interpretation of PCB Congeners in Complex Matrices [7]
  Keri Hornbuckle, Hans-Joachim Lehmler, Rachel Marek
